

SCOPE COATING LIABILITY WAIVER FORM

I acknowledge that by allowing King's Custom Coatings to coat my firearm scope, I understand that flooding may occur and I do not hold and will not hold King's Custom Coatings responsible for any damage related to the submerging of the scope in water. I acknowledge that a representative from King's Custom Coatings has explained the procedure for the coating and I, by signing bellow am willingly and allowing this process to take place even though my scope may be damaged.

I understand that scope manufacturers that make claims related to waterproof or water resistant scopes may not have indicated a total submersion of the product in water as covered under any said claim. I understand that if damage occurs, the manufacturer may void the warranty, and no restitution will be provided by King's Custom Coatings.

By signing bellow I give King's Custom Coatings permission to apply this coating to my scope and fully understand the risks involved.
